Hello, Everyone. My name is Isabelle Schmidt. I am a dietary aid in the assisted living building. I have been employed at Golden Years for 3 years now. This has been my first and only job so far. This job was and is definitely a blessing from God.

I graduated from Northrop High School last year. Now, I am a Psychology major at IPFW. After I earn my BA in Psychology, I plan on attending graduate school to earn a Master's degree in family/couple's therapy or school counseling. I was dead-set on becoming a counselor at the age of 14. Helping and comforting people has always been my passion. I love giving beneficial advice to those who are struggling. We all go through hardships and trials in life. My hope is for people around me and future clients to understand that they don't have to face them alone. There IS someone out there that cares and won't abandon them. I am also heavily involved with Campus Ministry at IPFW. God has opened up so many doors for me through CM. I have also made so many wonderful friends.

I am also a model/actress for Charmaine Models and Talent. I have completed 3 classes through them. Also, I have modeled in 4 fashion shows for them. Three for Christopher & Banks and one for Carson's department store.

In June 2015, I attended and performed at The A.R.T.S. Showcase in Orlando, Florida with my Charmaine coaches. There, I competed in monologue, commercial, cold read, improv, creative runway, and photography. By the end of the week at The A.R.T.S., I received 2 callbacks - one from New York Film Academy and the other for MC2 Models. I hope to attend again in the next couple of years.

My hobbies include acting, modeling, dancing, baking, organizing, and bike riding. Writing poetry is also something I love doing. Poetry has always come easy for me. I have tons of poems stacked up in a drawer. It's how I prefer to express myself. I also enjoy hanging with my younger sister, Elisabeth, who is 16. Playing with my dogs, Princess and Fritz, is also something I like to do.

I have enjoyed the three years I've been here. Everyone is so welcoming. It truly does feel like a home away from home. Also, it is as if everyone here is like a 2<sup>nd</sup> family. It's so nice to work somewhere like that. It is a blessing to be here. ☺

Listen Up! If you are having trouble hearing or maybe your hearing aid is dead, then maybe you need to purchase new batteries. We have just the thing for you!

The front desk is selling them now instead of having to purchase them from the Nursing Home. We have many sizes available for \$5.00 a pack. Please come to the front desk and we will be glad to assist you.

State surveyors were here last month for our annual NH and AL survey. **Congratulations** to the staff in the Assisted Living building for having a deficiency free survey. The NH received 3 minor tags, and overall it was good.

Thank you to the staff for their great service and care for our residents and hard work in both buildings. Also, thanks for jumping in to help where it is needed. GYH staff members are awesome!

## Now That Funny!!

Why does the Statue of Liberty stand in the New York harbor?

Because she can't sit down.

4<sup>th</sup> of July weekend was approaching and Miss Pelham, the nursery school teacher, took the opportunity to tell her class about patriotism. “We live in a great country”, she announced. “One of the things we should be happy about is that, in this country, we are free.” Trevor, a little boy in her class, came walking up to her from the back of the room. He stood with his hands on his hips and said loudly, “I’m not free, I’m four.”

It is for freedom that Christ has set us free. Stand firm, then, and do not let yourselves be burdened again by a yoke of slavery.

✎ Galatians 5:1

I will walk about in freedom, for I have sought out your precepts.

✎ Psalm 119:45

“Our constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.”

✎ John Adams

“Those who expect to reap the blessings of freedom, must, like men, undergo the fatigues of supporting it.”

✎ Thomas Paine

## From the Maintenance Desk .....

Sometime in July, we will be having our parking lots and roads chipped and sealed. This will be completed one section at a time.

Please look in your mailbox for more info to come as we will have to section off certain areas for this to be done and vehicles will need to be moved to a different location.

Thank you for your cooperation in this matter. We strive to make Golden Years a great place for you to live.

Thank You!
